

Mas Mateu Covid Statement

Our región the Emporda has been one of the regions less affected by covid not only in Spain but also in Europe.

Mesures taken to make of Mas Mateu a covid free destination:

In the villa

- 15 days quarentine of the staff at Mas Mateu prior the arrival of the clients.
- Isolation from the exterior. Separate entrance for goods.
- Second kitchen open outside of the estate for the reception and cleanning of godos prior to take them to Mas Mateu main kitchen.
- In the second kitchen, there will be an extra staff hired which will not Access the main villa.
- Maid ladies will all use sanitary masks and gloves inthe while cleanning the villa

Mas Mateu more than ever is a destination by itself, is an estate of 60 hectars (174 acres), with a large list of activities to do with out departing the grounds

Transportation

All our 2020 clients land in private jet, in Girona airport, that has a separatearrival from comercial airlines. So we have prepared two alternitves:

- Car transportation: We will rent a van, and Mas Mateu staff will take care of the transportation from the airport to the estate.
- Helicopter hub: From Girona airport to Mas Mateu, and a van for luggage collection.
